The background of the entire page is a dense, repeating pattern of tropical leaves and plants, rendered in a dark teal or slate blue color. The pattern includes various types of foliage, such as palm fronds, broad-leafed plants, and clusters of small berries or flowers, creating a lush, jungle-like texture.

# The gravel pit

BRASSERIE & BAR

*This site was once a large marsh, fed by the River Great Ouse, but in the 1950s gravel extraction created a series of small lakes and pools which survives today. The gravel was mainly used in road and industrial construction, but today the old gravel pits are home to an abundance of wildlife, flora and fauna; a magical place for all of us to enjoy.*
